Altitude profile

Description

The tour starts at the Bike and MTB Info Point at the P3 Wasserfeld car park in Hopfgarten and leads along the Kechsauer Landesstraße stream towards Kelchsau. The route is full of bends and runs partly along the edge of the forest, past Salvenaland and through the village of Kelchsau to the toll booth. Turn left and follow the asphalt road that leads past a beautifully situated horse pasture and the reservoir. A stop at the Niederkaseralm cheese dairy, which has been making products from raw milk for generations according to time-honoured tradition, is worthwhile. The Wegscheid inn at the head of the valley (known for its home-style cooking) is then quickly reached. The return route follows the same route. ALTERNATIVE: Sports enthusiasts who want to master another mountain stage can also reach Kelchsau via the district of Glanersberg (connecting route MTB 227 Glanersberggrunde).
