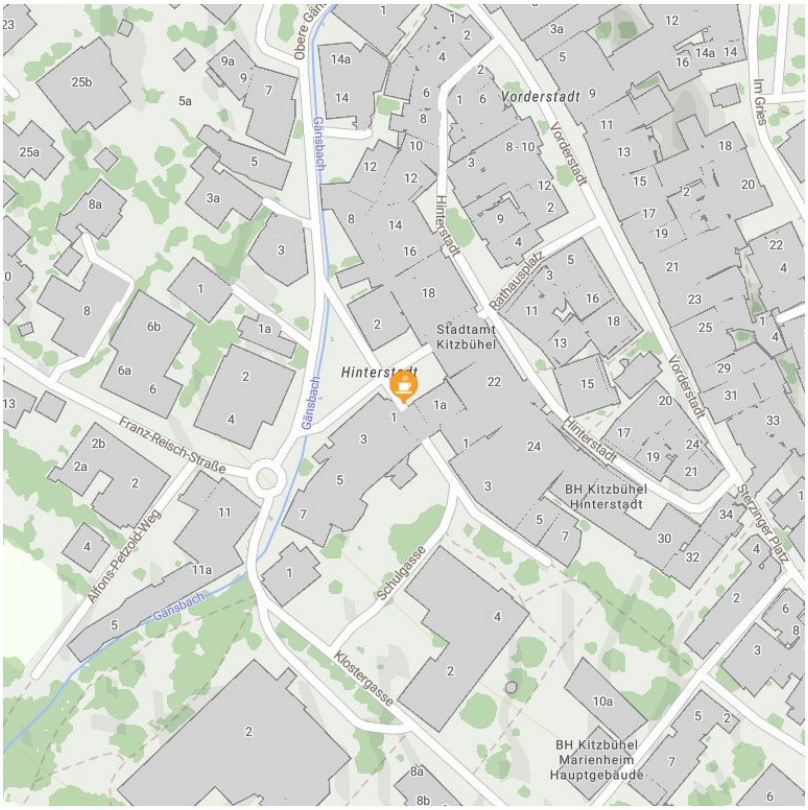
Reischbar

** Noble wooden bar with view of the citylife. Specialities: regional cuisine/coffee & cake. No kitchen on Sunday and Monday.   **



Description

The Reisch Bar at the Hotel "Das Reisch" in Kitzbühel is the perfect setting to meet locals and other hotel guests or simply to relax with friends and family over a cool drink and good music. Franz Reisch, the founder of the hotel and great-grandfather of today's owner, loved to bring people together. His spirit and vision lives on today in the bar which bears his name.
