Description

Since 1820 the name "Kisslinger" has been synonymous with the tradition of glass refinement. Every day hundreds of guests from Austria and other countries watch how our products are manufactured.

Pay a visit to the magical world of glass and watch the glass blowers, glass engravers and glass painters at work.

Shopping experience over four floors each dedicated to a different theme. Artists exhibit their work in the Art Gallery. Guided tours are offered in several languages, bus groups most welcome.

In addition, our glass blowing workshop features a large collection of pieces of glass art.
