

ACCESSIBLE ACCOMMODATION

On the sunniest side of Kitzbühel, with direct access to the hiking and ski tours region, you will find a family-run four-star superior hotel offering a blend of traditional flair and modern ambience. The hearty and individual approach will make your holiday an unforgettable experience. Here, with nature casting its spell all year round and with outstanding culinary options ready to delight your palate, the Hopfner family caters to their guests' every need. That's why this hotel also features two top-class allergy-friendly and accessible rooms.

The hotel offers an oasis of harmony that helps you take a break from your hectic everyday life. Covering an area of 1,200 m², it contains a spa that is flooded with sunlight and an exclusive wellness area featuring high-quality treatments. The panoramic indoor pool has stairs with a handrail on one side. At the outdoor swimming pool, which is heated all year round, you can enjoy a breathtaking view of the world-famous Streif racing piste and the Wilder Kaiser mountain range.
