

SALZBURG AIRPORT W.A. MOZART

Parking

You will find handicapped accessible parking spaces both on the P1 short-term parking areas and in the multi-storey car park next to the exit between stairway C and D.

Dogs

All dogs must have the European Pet Passport.

Check-In

The staff at the check-in desk will welcome you and provide you with any assistance you need until you have boarded the aircraft.

Medical Services & First Aid

Medical Services are located on the 1st floor of terminal 1. Take the elevator in the check-in area to get there easily.

Pick-up Points

You can contact the airport at 3 pick-up points when you need any special help.

Sanitary Facilities

You will find toilets and washrooms for the disabled in the check-in hall, departure hall and in the restaurant area on the first floor.
