

37th Kitzbühel Alpine Rally 2024

The journey goes on.

Please be advised that the 37th Kitzbühel Alpine Rally will take place from 5 to 8 June 2024.

The 37th Kitzbühel Alpine Rally will continue to build on its long-standing tradition. The event, themed 'Timeless Passion', will bring together enthusiasts of classic vehicles and exotic makes.

This year, there will be four classes: The categories are Sport Plus, Sport, Classic and Youngtimer & Exotic Cars. In the 'Sport Plus' class, participants must refrain from using digital timepieces and complete the special stages in an analogue format. The Sport class permits the use of digital measurements for the tests. The 'Classic' class is ideal for classic car enthusiasts who wish to enjoy their vehicles on the most beautiful roads in the Alps. The 'Youngtimer & Exotic Cars' class is also aimed at enthusiasts of younger sports cars, with no restrictions on the special stages. A 0.9 multiplier is applied to vehicles registered before 1945.

For the second consecutive year, the route will traverse the Grossglockner. The first stage will take place over the airfield in St. Johann. On Friday, participants can expect a ride to lofty heights. The final stage on Saturday, 8 June, is a tour of Salzburger Land, followed by the award ceremony and the Concours d'Elegance in the centre of Kitzbühel.

In addition to the rally itself, the event offers numerous opportunities for enjoyment. Accommodation at some of Kitzbühel's top hotels is available for overnight stays. The supporting programme provides entertainment. Following the first exit on Thursday, a barbecue evening will be held in the participants' tent, followed by the traditional rally evening on Friday evening. The finish and the Concours d'Elegance on Saturday in the centre of Kitzbühel provide the ideal setting to celebrate the art of automotive engineering.
