

Culture with a panoramic view

Heimatbühne Kitzbühel as a guest at the Alpenhaus Kitzbüheler Horn.

20.09.2022 / On Saturday, September 24th, 2022, this year's program "Der Landgendarm" of the Heimatbühne Kitzbühel will conclude with a performance at the Alpenhaus Kitzbüheler Horn.

Theater performance of a special kind at 1,670 meters above sea level

The play "Der Landgendarm" performed during the summer season 2022 welcomes on Saturday, September 24th, 2022 at 1:30 p.m. to a free live performance in the Alpenhaus at the Kitzbüheler Horn and thus finds a worthy conclusion. Thereby the culture association with approximately 40 members is always with much joy and commitment from the part.

The comedy in three acts by Andrea Döring is about the community residents coming up with a lot of ideas to get rid of the newly appointed land policeman. Suddenly everyone goes crazy and everyone has a double role, which they initially master with bravura. But as time goes by, they slowly but surely bring the troublesome gendarme to the brink of madness. It would be a laugh if they couldn't scare the intruder away.

The ascent to the Alpenhaus Kitzbüheler Horn is possible either with the Horn cable cars or via the toll panoramic road.
