

## FRANK FLUEGEL GALERIE presents Mr. Brainwash

---

### „Art in the Alps" in Kitzbühel.

*For the sixth time in a row, the FRANK FLUEGEL GALERIE in Kitzbühel is inviting art lovers and collectors to experience the latest works by US street art artist Mr. Brainwash.*

Entitled "Art in the Alps", the exhibition takes place in the historic rooms of the Lehenberg Schlosshotel and is open until March 2024. Every year, the gallery in the picturesque chamois town below the Hahnenkamm presents a new selection of street art works. Previous exhibitions have been a great success and sold out in no time at all. This year, Mr. Brainwash's works will be shown in the lobby and restaurant area of the Schlosshotel Lehenberg, which belongs to the Harisch Group.

The exhibition includes major works such as "Everyday Life - Follow Your Dreams", "Einstein - Love is the Answer", "Banksy Thrower", "Balloon Girl", and many more. These works are created in various media on paper, wood, steel or concrete and embody Mr. Brainwash's motto "Life is Beautiful", which has been renamed "Art in the Alps - Streif is Beautiful" for this exhibition.

Thierry Guetta, better known as Mr. Brainwash, was born in Garges-lès-Gonesse near Paris in 1966 and has lived in Los Angeles since the age of 15. His career as an artist began after his collaboration with street art legend Banksy, which was captured in the Oscar-nominated documentary "Exit through the Giftshop".

FRANK FLUEGEL GALERIE has been representing Mr. Brainwash in German-speaking countries since 2012 and has already presented his works in cities such as Düsseldorf, Berlin, Hamburg, Munich and Sylt. The gallery, with locations in Nuremberg and Kitzbühel, has specialized in high-quality originals of pop art, street art and contemporary art for over twenty years and offers an impressive selection of works by world-renowned artists.

With "Art in the Alps", the FRANK FLUEGEL GALERIE is continuing its tradition of presenting exclusive works of art in a unique setting. Art lovers and collectors are cordially invited to visit this extraordinary exhibition in Kitzbühel.
