Ski World Cup in Kitzbühel - when professionals conquer the Streif

25.10.2022 / Every year, the best skiers in the world travel to the most legendary sports town in the Alps to take on the challenge of Kitzbühel at the Hahnenkamm Races. With the highlights of the two Hahnenkamm downhills and the slalom on the Ganslernhang, the impressive ski race will be held for the 83rd time from 16 to 22 January 2023.

The legendary Streif

Year after year it demands everything from the skiers. It is therefore not surprising that the most demanding downhill run in the world - the Streif - is the focus of the traditional Hahnenkamm races and that victory is reserved only for the very best skiers. Jumps of up to 80 metres, steep slopes with gradients of up to 85 percent and speeds of up to 140 km/h make the Streif unique in the World Cup circuit. Athletes reach an average speed of over 100 km/h on the 3,312-metre-long course and conquer a difference in altitude of 860 metres.

Ticket sales open

One change to the previous Hahnenkamm races has been implemented in ticket sales. Tickets for the 83rd Hahnenkamm Races will only be available to spectators in advance or online. This means that no tickets can be purchased on site in 2023!

Tickets for the general standing area are available via the online shop. Grandstand, zone and group tickets for the next races can only be purchased via the ticket office at ticket@hahnenkamm.com.
