

# 2000 | Harschbichl Trail Blau

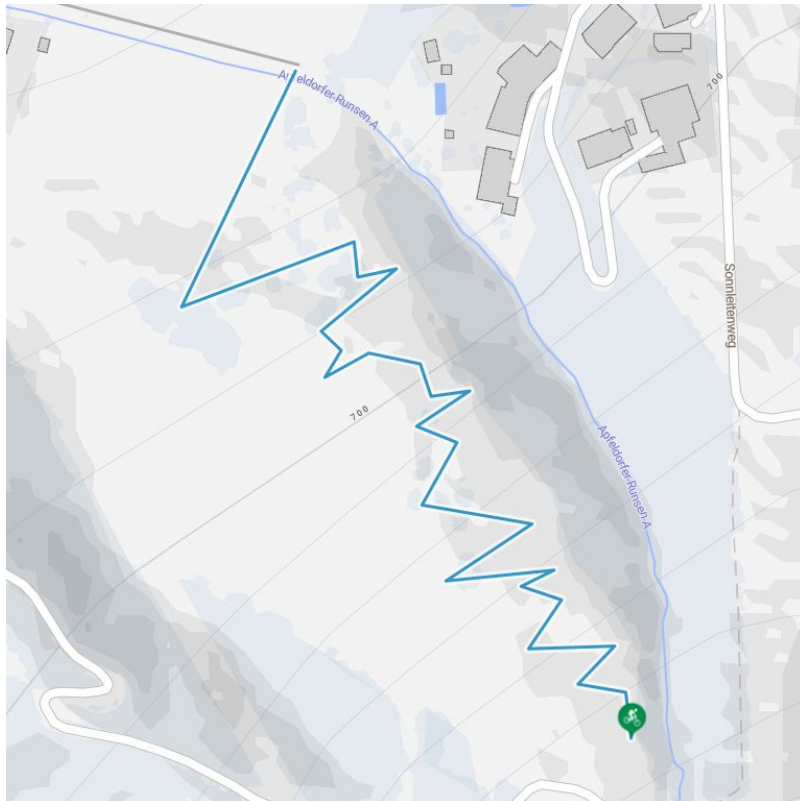

distance 0,8 km

altitude meters downhill 100 m

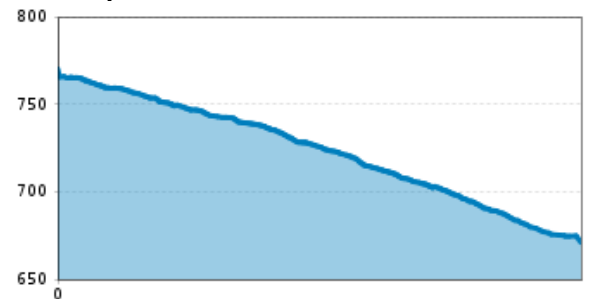

starting point: Gemeindestraße Berglehen

destination point: Skillpark Harschbichl

best season: MAY, JUN, JUL, AUG, SEP, OCT

Altitude profile

## Description

Light, flowy trail with a difficulty level of S1. The trail leads along the former summer toboggan run down to the Hochfeld lifts. One flowy curve or wave follows the other. At the end of the track there is a skill area, where your riding skills can be perfected on several practice trails with different obstacles.
