altitude meters downhill	440 m		
starting point:	Bergbahn Harschbichl - Mittelstation		
destination point:	Einmündung Harschbichl Trail Blau		
best season:	MAY, JUN, JUL, AUG, SEP, OCT		

Altitude profile

Description

Intermediate flowy trail with a difficulty level of S2. The trail starts at the middle station of the Harschbichl ropeway and joins the Blue Harschbichl Trail in the area around the Hochfeldlift 1 mountain station. On this flowy trail, various forms of curves (elongated curves, steep curves, etc.) alternate with wooden fixtures (bridges, etc.).
