## Description

The flow trail starts at the top station of Fleckalmbahn, leads over the famous Hahnenkamm (with the famous race track "Streif" ) and is the longest trail its kind in Tirol. The track is kept family-friendly, with easy key sections and playful elements. Due to a clever routing the trail gets along without many artificial elements. Natural passages, meadow curves, small waves and jumps as well as natural obstacles offer variety and action for the whole family. The beautiful view of Kitzbühel is the only thing that encourages you to brake now and then.
