

2011 | OD Trails - Blue Line

distance 1,2 km

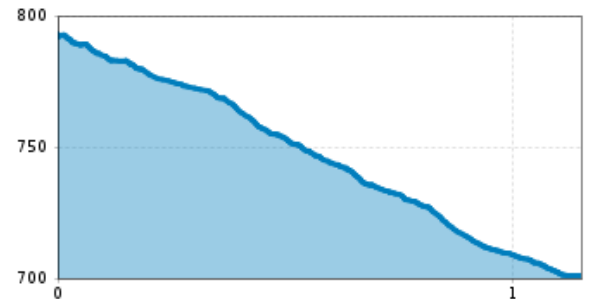

altitude meters downhill 90 m

starting point: Bergstation Valle's Tauwieslift

destination point: Hotel Penzinghof

Altitude profile

Description

The Blue Line is suitable for beginners with trail experience as well as advanced riders of all ages. The trail features a few jumps that can also be rolled over, tighter curve radii, higher speeds, easy rock gardens and root carpets as well as steeper sections.
