Altitude profile

## Description

This approx. 6 km long bike tour starts at the Kirchberg i.T. tourist office and first leads along the Brixentaler Radwanderweg towards Brixen i. Th. At the horse racing track, turn left into the forest towards Obergaisberg. The approx. 220 m difference in altitude is easily mastered on the asphalt road. Once at the top, you have to cross a gravel ditch that leads to the Obergaisberg farm. Here you can enjoy a wonderful view of Kirchberg. Back on the asphalt road, you pass the Kirchangerkapelle chapel and reach your destination at the Lend car park.
