

208 | Windautal - Filzenscharte

distance23,1 kmdifficultyaveragealtitude meters uphill1020 maltitude meters downhill210 m

starting point: Westendorf

destination point: Grundalm

best season: MAY, JUN, JUL, AUG, SEP, OCT

Altitude profile

Description

The route starts at the village square in Westendorf and leads along the main road to Unterwindau and from there along the Winaduer Ache, past Rettenbach and Hinterwindau into the valley. Passing the alpine pastures, the trail leads to the end of the valley and then up in serpentines to the Flizenscharte. Optionally, you can also ride the short stretch to the Rotwand Grundalm.
