Altitude profile

Description

The start of this pleasant loop is at the Bike and MTB Info Point at the P3 Wasserfeld car park in Hopfgarten. Ride for approx. 500 m on the Kelchsau main road along the stream towards Kelchsau, then turn left and cross the bridge. Continue through the hamlet of Elsbethen to the Glanternsberg / Gruberberg junction. Turn right onto the Glanternsbergstraße and follow the uphill trail through meadows and sparse woodland to the Glanternsberg. The Glanternsberg offers magnificent views of the Hohe Salve and the many old farms along the way. Along the Kelchsauer Ache, the tour now leads steadily downhill and out of the valley back to the starting point. Shortly before the finish, the bathing lake of Salvenaland invites you to take a dip in the cool water against a fantastic natural backdrop.
