## Description

The extensive, challenging tour starts at the Bike and MTB Info Point at the P3 Wasserfeld car park in Hopfgarten in the direction of Kelchsau and after about 50 m branches off to the right onto a quiet side road that winds its way up to the sunny plateau of the Penningberg. The route winds on an asphalt surface past the Hotel Leamwirt, the sports field and many beautiful old farms. At the head of the valley, the route joins a gravel road. The route continues in the direction of Haag Alm through the coniferous forest and offers wonderful views of the surrounding alpine pastures for a change. Those who want to combine the bike tour with a hike can make a detour from the Haag Alm to the Trockenbachalm, from where the Feldalphorn can be reached on foot (approx. 1 hour's walk). The original route continues to the unmanaged Höhenbrandalm and then runs in serpentines on the forest road downhill to Kelchsau. Return to the starting point on the Kelchsau provincial road.
