

# 259 | Eiserne Hand - Hörndlingergraben

distance	4,5 km	difficulty	average
altitude meters uphill	210 m		
starting point:	Fieberbrunn-Eiserne Hand		
destination point:	Pulvermacheralm		
best season:	MAY, JUN, JUL, AUG, SEP, OCT		

Altitude profile

## Description

The tour starts at GH Eiserne Hand and leads right into the Hörndlingergraben. On the way through the ditch you go through several tunnels, pass the small waterfalls "Schreiende Brunnen" and follow the signs to the Pulvermacheralm (refreshment stop). Connection to the MTB 278 Gerstboden route to the Salzburg border.
