Altitude profile

Description

The tour starts at the car park, approx. 800 m after entering Erpfendorf in the direction of Lofer. From Rosenbüchelweg turn right into Schleiffergasse. After approx. 200 m, the asphalt road turns into the serpentine forest road, on which you follow the signs to the Huberalm and Angerlalm. Shortly before the Angerlalm, a section of the trail slopes downwards before the final ascent to the destination.
