Description

From the bike and MTB info point at the P3 Wasserfeld car park in Hopfgarten, this beautiful tour starts on the sunny side of the Hohe Salve, offering connection options to the trails (MTB 268 and MTB 297) as well as to the Salvenarunde (T4). After crossing the Brixentaler Ache, follow the Lindrainweg to the valley station of the mountain railway. The steep asphalt road 'climbs' in numerous hairpin bends past the Sunnseit Hut to the middle station and the Tenn Inn. Here you have the option of taking a detour to the right to the Hohe Salve reservoir. Follow the forest road in a north-easterly direction to the valley station of the Foischingbahn, turn left and ride to the junction of the Salvenberg-Rigi trail (MTB 297). Turn left again and enjoy a break at the Hohe Salve reservoir. The actual circular tour branches off to the left approx. 500 m after the middle station and leads past the Kochmoos farm, one of the highest farms in the Brixental. Spectacular views of the surrounding mountains and the villages of the Hohe Salve holiday region are guaranteed. The tour is now more leisurely and continues to meander through the hamlets of Hopfgarten. Downhill, the route first follows a forest path to Itter. After about 700 m on the main road, the tour branches off onto a forest path near the football pitch and leads back to Hopfgarten via Hacha.
