**Altitude profile**

## Description

This moderately difficult tour to one of the most beautiful places in the Wilder Kaiser region starts at the information office in Going. Follow the village road to the Raiffeisenbank, turn left and immediately right again after the subway of the main road. Follow the Pramaweg and then the Kapellenweg, past the Pramakapelle chapel, to the Badesee junction. Then continue to the Hüttling car park with the Aschinger Chapel. From here a forest road leads, for the most part through forest, to just below the Schleierwasserfall. Tip: After an approx. 15-minute walk, you can reach the Schleierwasserfall natural spectacle and, with a bit of luck, watch climbers on the rock walls of the famous climbing hotspot. After a leisurely break, the same route leads back to the starting point in Going, where several refreshment stops tempt you with well-deserved refreshments.
