## Description

The starting point of this medium-difficulty tour is the information office in Going. Follow the Dorfstraße to the Raiffeisenbank, turn left and after the subway of the federal road immediately right again following the Pramaweg. After the Harrashof farm, there is an S-curve with a small bridge. At the next junction, turn north towards the Wilder Kaiser and the Tannbichl car park. From here, the forest road leads past the Tannbichl Chapel and runs largely through forest until you reach the Obere Regalm at 1,313m. (Open in summer on Wednesdays, Saturdays and Sundays in good weather; otherwise there is a drinks fridge in the Almgarage - don't forget your change). Enjoy the view of the rock faces and peaks of the Ostkaiser and the homemade delicacies on the cosy hut terrace. Return along the same route back to Going with various refreshment stops.
