Altitude profile

### Description

The starting point of this connecting route is at the Bike and MTB Info Point at the P3 Wasserfeld car park in Hopfgarten. Ride for approx. 500 m on the Kelchsauer Landesstraße along the stream towards Kelchsau, then turn left and cross the bridge. The route continues through the hamlet of Elsbethen and past the Elsbethen church, which is located on the edge of the settlement on a small hill below the Engelsberg. At the Glantersberg / Gruberberg junction, continue straight ahead and follow the steeply ascending road leading through meadowland to the Gruberberg. The trail joins the black MTB route "Lend-Kinzlingalm-Jagahäusel" (MTB 206), which continues into the Windautal valley.
