--------------------	-------------------------

best season:	MAY, JUN, JUL, AUG, SEP, OCT
--------------	------------------------------

Altitude profile

## Description

A difficult single trail that resembles a hiking route, going from the top of the Fleckalm gondola down to the bottom station. The trail takes you along a challenging route with lots of tree roots, jumps, drops and wooden elements. A full suspension bike and body armour are advised for this route. There is also a restaurant to stop at half way down.
