| starting point: | Ehrenbachhöhe | | |
| destination point: | Talstation Fleckalmbahn | | |
| best season: | MAY, JUN, JUL, AUG, SEP, OCT | | |

**Altitude profile**

Description

A difficult single trail that resembles a hiking route, going from the top of the Fleckalm gondola down to the bottom station. The trail takes you along a challenging route with lots of tree roots, jumps, drops and wooden elements. A full suspension bike and body armour are advised for this route. There is also a restaurant to stop at half way down.
