Description

This short trail is the connecting piece between the routes Ölbankrunde (MTB 228) and Lend-Kinzlingalm-Jagahäusel (MTB 206). The forest road leads from route MTB 228 (at Glantererberg - Kälberalm) up to the Glanterer Kogel. Then follows a short pushing section (approx. 30 m) through a small piece of forest before the trail leads downhill and joins route MTB 206 (at Schwaigerberg - Angerla).
