## Description

Starting from the Pfarrau car park, the route heads towards Kitzbuehel, but at the parish church it turns left up towards the foot of the Lebenberg and carries on to the hamlet of Achrain. The path takes a route between sunny meadows and shaded forest sections with different gradients and slopes to the west of Steuerberg. The Achrain-Pfad then takes a wide loop towards Lake Schwarzsee, travelling along the eastern side. From there the route remains flat and travels through more magnificent meadows on its return to the starting point at the Pfarrau car park.
