

Adlerhütte

Traditional mountain hut. Products: in-house trout, bohemian specialties. Partners: Breakfast on the mountain.

Description

The Adlerhütte is located right next to the middle station of the Kitzbüheler Hornbahn cable car. The hut is easy to reach and offers a fantastic panoramic view. In this popular restaurant you can enjoy freshly caught trout from the hut's own fish pond with naturally pure mountain water. The hut offers sophisticated, home-style cooking! This includes butter, various jams and products such as home-made trout and Bohemian specialties. Breakfast on the mountain includes pastries, butter, jam, honey, cheese/ham, omelettes, scrambled eggs with or without bacon, muesli, fresh fruit, brown bread with avocado, Eggs Benedict etc. served with a cup of hot drink.
