## Description

The Jochberger Forest loop starts opposite the Wagstätt Gondola in Jochberg, where parking is also available. From the start, head south towards Jochberger Forest, following the signs through Jochberg/Gauxbichl and then slightly downhill on Kupfstatt ally until reaching the Jochberger River. After the bridge, turn right onto a meadow path towards Jochberger forest. Follow this path until you reach a small settlement, then ascend several meters uphill to just before the Sintersbacher Waterfalls parking lot. Turn right, pass by a farmhouse, and then right again to descend to the river. Follow the road along the river until you reach the familiar Kupfstatt ally junction. From here, follow the signs back to the starting point. This is a short, easy, and relaxing loop.
