Description

The Wagstätt Gondola-Auberg Loop starts opposite the Wagstätt Gondola in Jochberg, where you will also find parking. From the start, run along the main road towards Kitzbühel, out of the town, and past Hotel Kempinski. Shortly after, turn left into Schaitlgasse. Follow the signs towards Auberg, and upon arrival, turn right towards Talboden. Head back to the main road, leaving it again to the left at Gasthof Jodelbühel. Follow the meadow path, then turn left towards Jochberger River. Enjoy a pleasant, cool half-kilometer run along the River. At around the 4 km mark, turn right at a bridge and run uphill towards Jochberg, passing the church, and then return to the starting point.
