

Auwirt Inn

<p>Home-style and international cuisine in a stylish ambience: rustic parlour, modern restaurant wing and sunny garden terrace. </p>

Description

Gasthof Auwirt consists of a very nice restaurant complex with an adjacent terrace that offers a direct view of the river. In addition, the Auwirt offers a peaceful garden, a traditional ski parlour with bar and a "State of the art" main dining room made of concrete and glass, designed by Ferdinand Porsche. Gasthof Auwirt also has 8 flats (22 beds), making it a perfect holiday destination for smaller groups with sporting and culinary aspirations. Whether skiing, golf, tennis, hiking, biking, ice hockey and more!

From Wiener Schnitzel and Kaiserschmarrn to roasted foie gras and halibut poached in olive oil, the Auwirt can satisfy simple local cravings and the most discerning palate. High-performance cuisine and locally inspired dishes, simply the best of all worlds.
