

Bathing lake / swimming pool Brixen

Description

The recreational facility Brixen im Thale is located about 700 meters walking distance from the center of the village. In total it offers, besides the bathing lake, 3 swimming pools:

- Swimming pool
- Adventure pool with giant slide
- children's pool

In addition, there is a large bathing lake, with 1 and 3 meter diving tower and a spacious lawn.

Attractions such as a small playground, a Kneipp pool, a beach volleyball court and table tennis table further enhance the facility. There is a restaurant with terrace, as well as a small kiosk directly at the lake. The facility is located directly on the Brixental bike path, so it is easy to reach by bike from all directions. There are also a few free car parking spaces available.

In case of unfavorable weather the swimming pool is closed or can be closed earlier!
