

Dr. med. dent. Bauder, MSc.MSc & partner

Dentists: Your experts in Biological Dentistry, ceramic implantology, parodontology, invisible braces, amalgam clean up, pine detox. Saturday, Sunday, and holidays by appointment.

Description

For your health we practice holistically. As the first specialist in biological dentistry in Austria, Dr. Robert Bauder MSc. MSc. specializes in the placement of ceramic implants, elimination of NICO osteolysis, periodontitis remediation, invisible braces, removal of amalgam, and metal restorations under maximum safety precautions and protective measures. Since the beginning of our practice, we have been working amalgam-free,

Natural, healthy aesthetics, prevention and preservation of health go hand in hand for us.
