Description

Starting point is the valley station of the Hahnenkamm cable car. The trail continues towards the Schattberg to the Ganslernhang, in front of which the Streif downhill course is crossed, where the racers reach the highest speed on the descent (approx. 140 km/h) before crossing the Ganslernhang, where the slalom is held every year. Here the Ganslernalm invites you to stop for a break - enjoy the magnificent view of Kitzbühel. Now follow the gravel road - which turns into an asphalt road towards Schwarzsee. The way back leads back to Kitzbühel and to the parking lot of the Hahnenkamm cable car.
