

Glockenspiel

<p>Where tradition and innovation meet.</p>

Description

In the traditional Glockenspiel in Kitzbühel, we have created a place that combines the best of two worlds: warm Tyrolean hospitality and modern bar culture. We offer a stylish but informal meeting place for all those looking for the highest level of enjoyment after an active day in the mountains or a stroll through the town. The Glockenspiel Bar is all about authentic enjoyment without the frills. Our selected food and drinks are of the highest quality, but without etiquette - because good food and drink should do one thing above all: bring pleasure and bring people together.
