Description

Opened in 2001, the 6.092 metre, par 71 course winds its way past sheer rock faces and dense deciduous woodland. It is these varied surroundings that make Eichenheim such a brilliant course. The awe-inspiring Wilder Kaiser and Hohe Tauern mountains with their majestic crags, deep gorges and snowy peaks form a breathtaking backdrop to many of the fairways. The "Grand Tirolia Kitzbühel & Spa Resort" is situated directly alongside the Eichenheim Golf Course. Offering a unique mix of traditional and modern values, it features a luxurious spa to leave guests feeling refreshed and revitalised.
