starting point:	Kitzbüheler Horn Talstation (valley station)				
destination point:	Kitzbüheler Horn Talstation (valley station)				
road quality:	asphalt, gravel roads, forest paths				
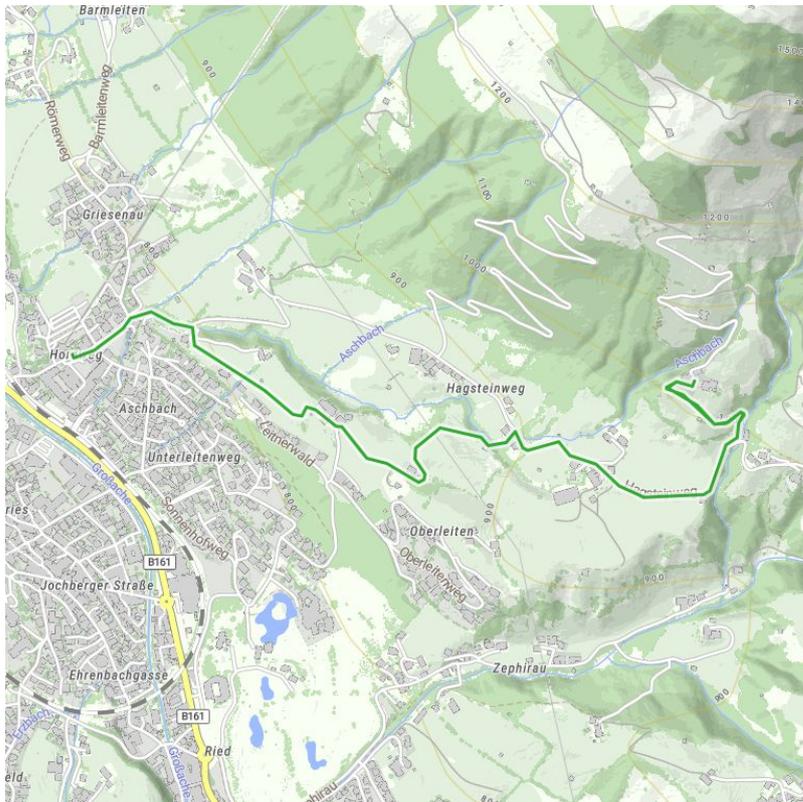

Altitude profile

Description

The valley station of the Hornbahn cable car is the ideal starting point for this beautiful winter hike. From here we walk a short distance in the direction of Römerweg, but we have to turn right immediately into Hagsteinweg. We follow this path to the end, to the mountain inn Hagstein. Here you can take a break before you start the way back down into the valley.

equipment
