

Hallerwirt

Sun-terrace. Traditional quality with modern aspects. Speciality: fish and regional cuisine.

Description

Local delicacies and Austrian cuisine: Culinary delights based on the flavours of Austria
The 'Genuss Region Österreich' (Pleasure Region Austria) project documents the exceptional produce of the regions: foods with a long-standing tradition and which create delicious flavours in their respective regions. Sampling these products is more than just a special culinary experience; it also serves to preserve the diversity of the landscape.
