destination point:	Hahnenkammbahn valley station				
road quality:	Trail via Melkalm to Hochbrunn is closed! Tarmac road, gravel path				
route typ:	circuit family tour				

Altitude profile

Description

This adventure walk offers a unique opportunity to take a glimpse behind the technical scenes at Bergbahn Kitzbühel. This includes a tour of the pumping station, the snow cannons, piste machines and the workshop. The highlight is an explanation and viewing of the complex technology required for a cabin gondola.

equipment

Sturdy, ankle-high footwear, functional mountain clothing, waterproofs, sun protection, plenty to drink, a comfortable rucksack, hiking poles, snacks
