

Hotel Kitzhof Mountain Design Resort

In terms of cuisine, the Hotel Kitzhof Mountain Design Resort offers a balance between local delicacies and international specialities.

Description

The widely known champagne breakfast and the changing gourmet evening menus provide real treats for the palate. Regional products are used by chef Jürgen Bartl and his team to create creative dishes. True to the motto: "The way to a man's heart is through his stomach", the physical well-being of the guests is a real matter of the heart. In summer, the beautiful terrace is an absolute insider tip.
