parking: Directly at the Kaiserwinkl Golf Club Kössen - Lärchenhof.
Free parking.
No e-charging station.

best season: APR, MAY, JUN, JUL, AUG, SEP, OCT, NOV

Description

The course is easy to play on foot as, apart from the occasional gentle hill, there are no inclines to overcome. The old trees, the terrain structure and the water hazards have been integrated in a sophisticated way. The clubhouse with its cozy golf restaurant and pro store is located in the middle of the 18-hole golf course. The practice facility and golf school complete the golf offer.
