

Kid's climbing garden at the "Kitzbüheler Horn"

There are two ways to experience the climbing trail. From the summit (easily accessible with the B3 Horngipfelbahn) down or vice versa (here you gondola with the B2 Hornbahn II to the Alpenhaus).

Address: Kitzbüheler Hornbahn
Hornweg 23a

Description

a) Start – summit:

You'll find the access point just a few metres below the Horngipfelbahn (B3) top station and you set off on the climbing path heading for the valley and Alpenhaus.

b) Start – Alpine Flower Garden:

Starting from the Alpenhaus (B2) it's no distance at all to the Alpine Flower Garden. Right next to the end you come directly to the access to the climbing path heading to the summit.
