## Description

This hike starts from the hiking information point in Kitzbühel and follows the Ache stream to Jochberg. It then leads along the rail track towards the tennis Stadium until it reaches the bridge where it turns right onto the Achenpromenade riverside path towards Aurach. The route follows the Großache river until Unteraurach, then the Traidweg path to Hechenmoos followed by the Gigglingweg/Schwerterweg past the foothills of the prehistoric moraine to Auberger farm. From there, follow the signs to Jochberg, past the church tower and back to the village centre. It is possible to take a VVT regional bus back to the start of the hike.
