Description

The KitzTrail Kulinarik leads from the Kitzbüheler Horn past the Hornköpfl mountain hut to the Karstweg hiking trail. It offers a myriad of routes, exciting insights into alpine plants and geology, and assorted culinary delights – guaranteed. If you're feeling peckish, the owners of the Lämmerbühel pasture are sure to impress with their homemade treats like bacon, cheese and farmhouse bread. Back on the Kitzbüheler Horn mountain, it's well worth stopping by the Alpenhaus before heading back down to Kitzbühel on the cable car. You can find the KitzTrail folder – featuring five more trail suggestions – at the Kitzbühel Tourist Office.
