distance	9,5 km		
altitude meters uphill	1118 m	highest point	1606 m
destination point:	"Zum Horn"/Römerweg		

Altitude profile

Description

Along the smooth asphalt Panoramastrasse toll road there are countless curves and sweeps along the way taking you up Kitzbuehel's landmark mountain. In many legendary races, on foot and by bicycle, many athletes have pitted themselves against one another on this demanding mountain route. After 7 km you arrive at the Alpenhaus restaurant, the finish are for many of the legendary races. However for those who haven't had enough and have the energy and stamina for more, it is possible to ride or to run even further – up to the Horngipfel summit at an altitude of 1.996 m! You can travel back to the valley from both of the finish points with the Hornbahn Cable Car or the Horngipfel Cable Car.
