

# Lake Arena Hechtsee

<p>The Hechtsee is a classic spot in Kufstein. A popular destination for locals and visitors alike. My children can spend a whole day between the water trampoline, the table tennis tables, and the beach volleyball courts. Meanwhile, I enjoy the shade under huge trees and read a book. To cool off, I take a swim. A blessing in this clean lake. The water quality is excellent. In between, we enjoy ice cream and cool drinks at the buffet.</p> <p>Open annually from May 1st to September, daily from 9:00 AM to 7:00 PM in the pre- and post-season, until 8:00 PM in the main season.</p> <p>Changed opening hours possible due to weather conditions!&nbsp;</p>
