

Lake Arena Hechtsee

The Hechtsee is a classic spot in Kufstein. A popular destination for locals and visitors alike. My children can spend a whole day between the water trampoline, the table tennis tables, and the beach volleyball courts. Meanwhile, I enjoy the shade under huge trees and read a book. To cool off, I take a swim. A blessing in this clean lake. The water quality is excellent. In between, we enjoy ice cream and cool drinks at the buffet.

Open annually from May 1st to September, daily from 9:00 AM to 7:00 PM in the pre- and post-season, until 8:00 PM in the main season.

Changed opening hours possible due to weather conditions!
