## Description

Ascent with the Hahnenkammbahn. Our hike starts at the top of the Hahnenkamm and leads us first to the Sonnenbühl restaurant and then descending to the Melkalm. After this, slightly ascending through a forest, we walk towards Hochbrunn. From there we walk on an agricultural road with some shortcuts through the alpine meadows to the Jufenkamm and the Brunnsee. Next we hike along a wonderful panoramic road to the Restaurant Pengelstein/KitzSki Bar. Not far away is the lake Pengelstein and Usterkarsee. The way back takes us on the same path to the Hochbrunnalm from there we follow the signs to the Ehrenbachhöhesee, which has an trading water area on the eastern bank. Of course, the lake is not only inviting for its trading water refreshment area, you can also relax and enjoy the wonderful view of the "Wilde Kaiser". With our refreshed feet and mountaineering calves we will soon reach our desired destination, the top station of the Hahnenkammbahn.
