

Pillersee

Description

Nature bathing at the Pillersee in St. Ulrich am Pillersee | Swimming in the Pillersee is for hardy souls only - it is ideal for a refreshing dip on hot summer days before lying down in the sun. The swimming area is located on the eastern shore. Visitors can hire rowing boats and pedal boats and children can play on the playground. The water-temperatures never rise over 20° degrees.

What else is offered: Kiosk "Seestüberl", sunbathing area, stand-up paddling, fun ball, climbing park, archery, pedalo boat, marble course, children's playground, fishing, arrow battle and much more.
