

Public bath Waidring

Description

The 4,000m² artificially created lake in Waidring has drinking quality due to the constant fresh water supply and measures 3.70m at its deepest point. The lake is surrounded by a large lawn for sunbathing. On the approx. 15.000m² large area there are table tennis, beach volleyball court, mega trampoline, a buffet as well as a football and playground and a heated swimming pool (approx. 23-24 °C)
